WITHOUT PREJUDICE

Hi Sharon,

We refer to the above matter.

Based on your client video footage submitted to us previously, our insured is driving straight from the car park exit. No stop line in OI lane. However, stop line on your client lane. Your client did not conduct proper check on the road before making a right turn.

In view of above, we have our principal instruction to deny liability and not able to look into this matter.

We will proceed to close the case at our end.

Thanks

“Kindly note that this negotiation between parties on this matter is purely on a without prejudice basis with the sole intention of resolving the matter amicably without parties resorting to legal proceedings. No admission of liability, whatsoever, should be deemed / inferred from this negotiation of terms/settlement.

In the event of new evidence being discovered or subsequently produced by either party that will materially affect/influence on the issues of liability/damages, either party is not bound, thereafter, by the negotiation terms/settlement.”

Note: We are on work from home arrangement. All correspondence should be made via email. Submission of claim related documents will be in softcopy. Any inconvenience caused is much regretted.
