Hi Bryan

Our insured is claiming under his own policy, but we have discovered that 3 pieces of tyres are not road worthy condition.
We therefore appoint your company to do the necessary check on the road worthiness of tires and if it meets LTA guidelines.

Vehicle is currently at:

Ah Lim Motor (AMK)
10 Ang Mo Kio Ind Pk 2A
#01-09 AMK AUTOPOINT
S568047

Please advise when is the earliest you can inspect the road worthiness of the tires and provide us your technical report as we have halted all repairs to insured vehicle.
I will send you the password to open the encrypted accident report in a separate email.
