Dear Ms Vasanthi,

As spoken over the phone, please liase with Mr Yik from C&C for the pictures and video that you'll need to dispute the case.

I've clearly mentioned in the report and fully substantiated by the in-car recording that the impact was from the bus (SMB 1462D) moving into the yellow box thus hitting my car, while my vehicle was stationary in the yellow box while waiting for my turn to move off.

Please investigate thoroughly before you settle any third party claim. As a matter of fact, I'm claiming against the bus SMB 1462D for this accident. Appreciate your assistance on this!

Regards,
Edwin
