Witness to traffic accident - 29 January 2022

I, Rady mobile no 93364805, together with my 3 friends took a Grab car ride with EY1919C on 29 January 2022 at 4.20pm from the Caltex Station, 297 Holland Road.

After we all got into the car, the Grab driver started to drive slowly as he was going from the Caltex station and turning into Holland Road. Suddenly, I heard the driver honking and saw a yellow car, banged into our car from the right. The yellow car then drove out into Holland Road and stopped at the roadside. Our Grab car was still at the exit of the Caltex station.
