Validity of this estimate is 14 days from date of quote. This is a computer generated document, no signature is required. Estimated costs quoted are excluding GST. We would mention that the above estimate is based on our initial inspection and does not include any additional parts or labour which may be required after repair work has commenced. Occasionally worn or damaged parts are discovered after work has started and needed for repairs or replacement. However, should this occur, we would advise you. Please be informed that a deposit of 50% of the above estimate is payable before commencement of the work. Payment for this may be made in cash, credit card or cheque. You must also agree to pay full amount for renewal of the windscreen in the event of inadvertent breakage in the course of renewing the rubber seal or other repair requiring the removal of the windscreen.

Describe Circumstances of the Accident

On 17 March 2022, around 7.00pm, along the Junction of Sungai Tengah Road and KJE. When the traffic light turned green, I followed the front car. The car in front of me turned right towards the slip road to KJE and I followed. All of a sudden, I heard a long bang to the front left side of my car door. I immediately stopped and stepped out of my car to see what had happened. I noticed a white colour van, vehicle number PC 44432 had hit my car. The driver of the van was not injured and later, we exchanged our driving license. I took photos of both the damages done to the front exterior of the van and also the front left of my car.

Declaration

We declare the foregoing particulars are true in every respect.
