Brief Details.

On the 14th March 2022, at around 1830hrs, I was driving my car (SNB6640L) along Sengkang East Road, intending to turn right into Sengkang Square. Before turning right, I stopped for a while at the T-Junction. I observed that the motorcycle (FBP2830A) which was travelling in the opposite direction on the 3rd lane, was quite a distance away, which was at the position before the 3rd Arrow from the T-Junction.

I subsequently made the turn into Sengkang Square. When my car almost cleared the right-turn into Sengkang Square, the said motorcycle hit onto my rear left side of my car. The rider was conscious, however he was in shock. I assisted to call 995 for Ambulance, and they arrived later to convey the rider to Sengkang General Hospital. Traffic Police arrived as well, and they provided me with the case card no. F/20220314/0184, and advised to lodge a Traffic Accident report. That is all.
