### Statement of Accident

On 21/03/2022 at about 12.55pm, I was travelling along PIE towards Jurong. A vehicle (SML8181R) cut into my lane (2nd lane) abruptly from the 5th lane (leftmost). I honked the driver to alert him and I have to engage hard brake immediately. I managed to avoid the collision by activated the emergency brake. He then trying to slows me down and continued to travel in front of me at the speed of 50-60km. I have decided to ignore him, overtook him to continue my driving and move on in the 2<sup>nd</sup> lane.

All of a sudden and without warning, the said vehicle dashed into my lane in a flash from the 1<sup>st</sup> lane and crashed onto the right side to the front part of my vehicle. The strong impact has caused my vehicle swerved to the 3<sup>rd</sup> lane which another moving van nearly hit onto my vehicle. His vehicle landed at the 3<sup>rd</sup> lane from the crash. He then braked his vehicle abruptly all at once in front of me and causing me without notice in that spur of moment and hit onto his vehicle.

There was another passenger (wife) in his vehicle. Both of them alighted from their vehicle and walked steadily towards and confront me on the accident. The driver kept mentioning that he wanted to call an ambulance for his wife. It shows obviously the accident was happening due to the driver have acted rashly and on his ill intentions. I seriously view that his such reckless driving behaviour have put everybody lives at risk. He is conscious of the risk of his act but still chose to act upon it deliberately. I decided to stop the arguments and we proceeded to exchange particulars. I then left the scene. I have lodged an Accident Police Report online on 21/03/22 (see attached). I sincerely hope our represented Insurer - NTUC Income and Traffic Police force will look into this matter carefully and investigate this accident accordingly. I have taken all the scene photos and kept the in-car camera footages for your good reference and better evaluation. I also with to state that I am having a clean driving record in my driving history for the past 5 years.

I am making claim against third party.
