No. of Days granted Medical Leave	NIL	Degree of Injury	NIL

Brief Details.

On 11/05/2021 at about 1210hrs, I was driving my vehicle bearing the registration plate number GBK5997J (V1) along Old Choa Chu Kang Road. I was travelling behind a Military vehicle 95206MID (V2). Upon reaching the slip road before Chinese Cemetery Path 10, V2 switched on the hazard light. As such, I checked for on-coming traffic from the opposite direction as I had intended to overtake V2. I then signaled my intention and overtook V2 thereafter.

While in the process of overtaking V2, V2 turned right into Chinese Cemetery Path 10. This resulted in a collision between V1 and V2 (Side-Swipe same direction). V1 sustained dents to the left passenger door and above the left headlight area.

The military personnel then called for police. However I do not know the police reference number for that traffic accident. V1 has an in-car camera, however it was not recording. No one was injured in this incident.
