Dear Maj Edwin,

We refer to the above matter.

Please be informed that LTA officer has checked and confirmed that no repair is needed for the railing and the parapet wall.

In view of the above, we seek your approval to close case as LTA is not interested in pursuing the claim.

For your approval/instruction please.

Dear Razali,

According to SAF police report, the incident was happened along Eunos Flyover. While he was driving over Eunos Flyover, SAF driver swerved slightly to the left and hit the metal railing of the flyover. SAF driver did not stop his vehicle as traffic was congested and there was no road shoulder for them to stop.

We attached here with the incident location(extract from google map) which SAF driver managed to recall for your necessary action. It is between Lamp Post 425F and 427F.

Thank you.

Aug Hi Ms Chew,

As there was no scene photo available, it would be difficult for us to identify the exact damaged item based on the accident date, 19 Aug 2021.

Would appreciate it if you could show us where is the exact location & exact damaged item. For example, you may use google map street view to let us know of the damaged item.

Regards

Hi Ms Chew,

We have no record of this incident. Was there any police report made as well as photo of the damaged item?

Can I have the info so that I can check with the area officer whether will there be any cost recovery to be made.
