<p>I was the trainer for 2SIG, MCC3 ICT Vehicle Refresher. I was the trainer for transporter D Windshear, on vehicle 22170 MID. It was 1700hrs and we were doing the on road drive for refresher. We were travelling on Teck Whye Ave, right hand preparing to turn onto Choa Chu Kang Rd. The NSmen was preparing to turn right when he suddenly mount up the kerb on the left, hitting into the blue split lane sign. I would like to mention I had notice the NSmen was driving poorly and I intended to let him turn right at ITE west and head back to camp. I was prepared to inform his CSM of his poor performance and recommend either he do not drive for ICT or go through more training the next day.</p>
