Brief Details.

I am a taxi driver and was on route to send a passenger.

On 21/3/2022 at 0850hrs I was travelling along Tuas South Avenue 3 towards Tuas South Avenue 2 nearby landmark "Usha Martin Building" and came to a stop at the traffic light as it had turned red. Out of a sudden a truck from the back went against onto my rear bumper. Due to the impact it causes a dent and scratches onto it. I wish to state that my passenger did not suffer any injuries and does not want to be checked by the ambulance. Prior to ambulance arrival he had left.

Both of us exchange particulars and I went to visit a doctor after as my lower back and my left calf was sore due to the impact.

I am lodging a police report for insurance purposes.
