Brief Details.

On the stated date and time, I (SLW 1373 D) was travelling along the sated venue. It was drizzling and the road surface was wet. As I saw front vehicles braked to stop, I followed to brake to stop too. When I have come to a complete halt, suddenly a vehicle bearing registration no: GBF 5269 D could not stop in time and collided onto the rear of my vehicle. The impact was huge and also caused my vehicle to move forward. I felt unwell and discomfort on my head and neck after the collision. I then proceeded to seek medical treatments at Mount Alvernia Hospital and was given 5 days MC.
