Brief Details.

On 16/03/2022 at about 1700 hours, I was driving my vehicle SKT6356Z along Upper East Coast Road towards Bedok South. I was driving on the first lane when I observed that there was a vehicle in front of me bearing vehicle registration number SDJ6338L which had slowed down and signaled right as she wanted to turn right into the carpark. As the vehicle was still a distance away, I was able to slow down and come to a complete stop. Out of a sudden, there was a strong impact from the rear of my car, causing my vehicle to be pushed forward, colliding with the vehicle in front. The vehicle that collided with mine was bearing vehicle registration number SMN2755P. Due to the impact, I was unable to exit from my vehicle and the door would not open. I was then assisted out of my vehicle and I sat down by the road side. Paramedics then came and I was escorted to Changi General Hospital and was given 3 days MC. I have an in-car camera in my vehicle but I have not checked the footage as the car is not with me.

I was then contacted by TP IO Roi and was advised to lodge a police report.
