Describe Circumstances of the Accident

I was waiting for a parking lot inside the carpark. A car came out. I moved my car forward but there was another car wanting to take the lot too. So I reversed my car back to my original waiting position. While doing so, a Mazda car stopped behind my car, without the head lights on. The carpark was quite dark so I didn't notice the Mazda stopping behind me. The driver did not ~~honk~~ honk to sound warning or high beam to inform me. I then reversed into the Mazda.

Declaration

We declare the foregoing particulars are true in every respect.
