**Sketch Plan**

**Describe Circumstances of the Accident**

I was driving my car (SMY9414V) on Marine Terrace in the lane closest to the curb on Friday 1st April 2022 at 4:55 pm. A bus (PC2274H) that had been ahead of me moved over into the lane further away from the curb. I carried on in the lane closest to the curb. The bus slowed down so I began to pass the bus. As I was driving, the bus suddenly turned leftwards in order to turn into the driveway of CHIJ Katong Convent Secondary School (I presume the driver didn't check his mirror to see if the lane that I was driving in was clear). As the bus was turning, the bus hit my car on the side towards the back of the car as I was driving past. I took down the details of the bus. I also showed the bus driver my NRIC, which he took a picture of. However the bus driver refused to give me his details (hence I only know the bus number and not the driver's details).

**Declaration**

We declare the foregoing particulars are true in every respect.
