Japan informed me this application is discontinued unfortunately.

Thank you

Thanks Sam,

Please let me know when you find out.

Regards,
Moses Png

Hello,

Yes, it's available as a special order item. Currently would take 2-4 weeks to deliver.

I will have to ask Japan for shipping costs and what type of cats are included.

Thank you

Subject: Stock availability

<https://www.gruppemusa.com/porsche-911-turbo-00-06-996-exi-0139-exhaust>

Hi there,

Is this 996 turbo exhaust with cats available for order? If so, what is cost of international shipping and insurance to Singapore?

How many cell does the catalytic converters have?

Regards

Moses Png
