Sketch Plan

Describe Circumstances of the Accident

I was travelling along Bukit Batok Central on the right lane turning to Bukit Batok Ave 1. I stopped my car at the traffic light junction as the traffic light was red. There were 2 to 3 other cars in front of me. When the traffic light turns green, I slowly moved my car forward along with the other cars. Suddenly before I could move forward I felt an impact to the rear of car. When I alighted, I realised that a bus SMB160TD behind me has accelerated too fast and collided into the back of my car. The bus had followed me too close behind.
