**Brief Details.**

On 19/4/2022 at about 1645hrs, I was driving a company rented truck, I am travelling at the main road going straight whereas the other car is turning out from the sideroad. The car then crashed into the rear of my lorry and the front bumper of the car came out. Immediately after the incident, the driver moved his car from the scene and park at the side. He then claimed that I collide into his car. I wish to state that my truck does not have any in car camera however the other vehicle have it.
