Brief Details.

On 24/12/2021 at about 1.30pm, I drove my vehicle bearing plate number SKT8221R, to Waterloo Street and parked my vehicle at the parallel parking along Waterloo Street beside Blk 262 Waterloo Street. After parking my vehicle, I left to have my meal at a nearby coffeeshop. At about 2pm, I was walking back to my vehicle and I saw a male Chinese subject wearing a dark blue shirt standing beside my car. The male subject then approached me when I went to my car and he told me that there was a lorry hit onto my vehicle. He then provided me the lorry plate number, GBC1502Y.

I then went to make a check at my vehicle and noticed that there were some scratches on the rear right side of my vehicle, and the right back light was cracked. As I am working as a Grab driver, I needed to rush to pick up the passenger. After work, I then checked the rear dash cam that was installed in my vehicle and it showed that there was a blue lorry parked behind my vehicle. When the lorry driver, clad in green top, was trying to drive out from the parking lot, he moved the lorry forward which eventually hit onto the rear right side of my vehicle. Even though he hit onto my vehicle, he continued to drive and left the scene.

In the video, I also noticed that there was another witness, one Chinese male, clad in white top was at the scene and he took a photo of the lorry. I then recalled that I was informed by the dark blue shirt male subject that, another witness had taken a video and told him that he will be lodging a police report too.

I wish to state that I do not have any of the witness' contact number.
