Brief Details

On the above mentioned date, time and location, I stopped my car along the second lane of the road as the traffic light is red. Suddenly, a car, SG708862, hit onto the rear of my vehicle. There is a heavy impact and hit onto the second vehicle. I stepped from my vehicle to make a check on the damages. I then took down their particulars. Subsequently, traffic police and ambulances arrived at scene. However, no one was injured or hospital.
