Hi Ms Chew,

The police report did not mentioned on the item that was damaged.

It was mentioned that there is an earlier report made, J/20220412/7044. Can share with us that report.

The attached police report looked blurry. Can we have a better resolution for the pdf file?

As for the photo, which one showed the damaged railings after the incident?

Regards

Cc SITO Kok Kee & Sean: For info on the damaged P1 2-rails railings along Lim Chu Kang Rd.
