Brief Details.

On 06/05/22 at around 2030hrs, I was driving on the rightmost lane along Boon Lay Ave. I formed up at the rightmost lane and wanted to make a right turn onto Jalan Boon Lay. As the traffic light was green in my favour, I proceeded to make a right turn onto Jalan Boon Lay, I stopped in the turning pocket to give way to some pedestrians that were crossing the road. After they had crossed the road, I wish to state that I checked my blind spot and proceeded to slowly make a right turn. As I started to make the turn, a GrabFood cyclist namely Fariandy suddenly dashed onto the road, wanting to cross from Jurong West Central 1 to Boon Lay Ave. As a result, I did not have enough time to react, and this caused the front of my car to collide with the cyclist on his right side. This caused the cyclist to fall on his left side. My car had its number plate chipped off while the bicycle suffered some dents of its back wheel, and its pedals were also bent. I wish to state that Fariandy was not wearing a helmet or any protective gear, nor had any reflective lights on his bicycle.

CONTINUATION OF REPORT

After the impact, I got out of my car and attended to him. I asked if he was okay, and he got up and said that he was fine. As there was traffic behind us, we decided to proceed to the nearest Blk, which was Blk 262 Boon Lay Drive to meet up, and following that, proceeded to Blk 271B to complete his GrabFood order. I then brought him to his address at Blk 961 Jurong West St 91. At this location, I handed over the damaged bicycle to Fariandy's mother. I then asked Fariandy if he wanted to go a hospital or clinic to which he said that he would prefer a clinic. I then brought him to CCK Family Clinic and fully paid for his consultation. The doctor diagnosed his injuries to be swelling and an abrasion on his left shin and scratches on his right foot. The doctor then informed that Fariandy had to be further referred to a hospital A&E for a further x-ray for his injuries. I then brought him to Ng Teng Fong General Hospital at around 2240hrs and waited until 0400hrs until he was discharged. While I tried to settle the matter privately with him and offered to pay his medical fees and buy a new bike for him, he told me that I did not need to do so as his parents wanted to lodge a report regarding the matter. I wish to state that Fariandy's mother was asking for S\$3000/- to S\$4000/- as compensation instead.

Police and ambulance did not attend to my incident. I do not have any dashcam footage of the incident.
