Hi Asher,

We maintain that our insured shall not be liable for causing the accident.

Hi Asher,

We are not agreeable with your view.

Based on the video footage, it was clearly seen that our insured was moving slowly within his own lane and the third party was straddling in between the lane.

The third party should keep a proper lookout and change lanes only when it is safe to do so.

Hence, please reject the Third Party claim.

We refer to the email below.

Enclosed a copy of the third party video footage for your easy reference.

Basing on both party video footage third party was traveling straight to overtake all the parking vehicle along both side of the road.

Before third party pass by your vehicle, your vehicle is still on hazel light and stationary on the side of the road.

Vehicle that is moving off need to keep a proper look out for any oncoming vehicle.
