**Brief Details.**

On 23/04/2022 at about 0045hrs, I was at Tuas Checkpoint towards Malaysia. During the period of time, the road was quite congested with other road users.

As I was queuing for my turn to enter the empty lane. There was another lane opened while I was in the queue. All of a sudden one vehicle, Infront of mine reverse trying to switch lane. I tried honking to warn him that my vehicle was behind him however he still knocked onto my vehicle. During the period of time was stationary.

I then went down to enquire with him to what happened, the driver informed me that he tried to reverse and change lane and he did not notice that my car was behind him. He informed that he was not under any medication and no one is injured during the period of time.

On 23/04/2022 at about 1530hrs, I went to my workshop in Malaysia and contacted the other party. My mechanic discussed with him in regards to the damages and cost and subsequently the handphone was handed over to me. He then informed me that he will contact me again after enquiring with his insurance to whether his insurance have any panels in Malaysia.

I then texted him on 26/04/2022 and he he did not reply. I then tried texting him again 28/04/2022 at 1518hrs however he still did not reply.

Due to the circumstances I then decided to lodge a Police report in regards to the matter.
