## Brief Details

I was travelling on lane 1 of CTE (SLE) @ Kampong Java flyover when the car in front of me applied brakes. I followed suit and suddenly, a motorcycle from behind collided into my rear and caused an accident between both of our vehicles. We exchanged particulars and left the scene. I then sought medical attention at a clinic nearby my residence and was awarded 7 days of medical leave. I was then advised to lodge an accident traffic report on this said matter.

**Annex C: Recommendation**

We have inspected thoroughly the actual damages found on the vehicle and our assessment is appended in the Annex(es) attached. The condition and age of the vehicle was considered before we reached our recommendation as to whether the parts need replacement or repair.

M/S Equator Brotherhood estimated repair cost is **S\$7,350.00** and we have adjusted it to **S\$6,076.50** on a part by part basis. However, taking into consideration the age of the vehicle and the availability of used/recondition components. We, therefore recommend a contract lump sum repair cost.

The repairer have agreed to undertake the repairs on a contract lump sum of **S\$4,800.00**, according to acceptable quality and standard. (Repairer discretion to repair parts, to replace with old parts, or to replace with OEM or genuine parts).

The entire repair of the damaged vehicle should be completed within a reasonable period of 4 working days.

We have advised the repairer that the inspection was conducted strictly on a WITHOUT PREJUDICE basis and we have not given any instruction and authorisation to proceed with the repair of the vehicle.

We are reverting the matter to you for your discretion and enclosed is our invoice for service rendered.

Yours faithfully,
