CONTINUATION OF REPORT

Brief Details.

On 12/05/2022 at about 1909hrs, I had parked my blue colour Mercedes bearing registration no: SMG 4941S along 20 Maju Avenue, service road. I had secured my car and everything is in order. I came to retrieve my car at around 2230hrs and discovered some scratches at the right rear bumper and also at the rear right tyre rim.

I then made a check on my car camera and it capture an unknown car bearing registration no: SJN 9589S had collided into the rear of my car when the driver was moving off at 2026hrs. I am not sure of the damage. I then spotted a note from passerby claiming that he witness the accident however he did not gave his name and just provide his mobile number(90573734). The said driver also did not leave down his particulars when the accident happened.

As such I came to lodge a report for assistance. Nobody is injured in the accident. I have a video footage of the accident.
