CIRCUMSTANCES OF ACCIDENT

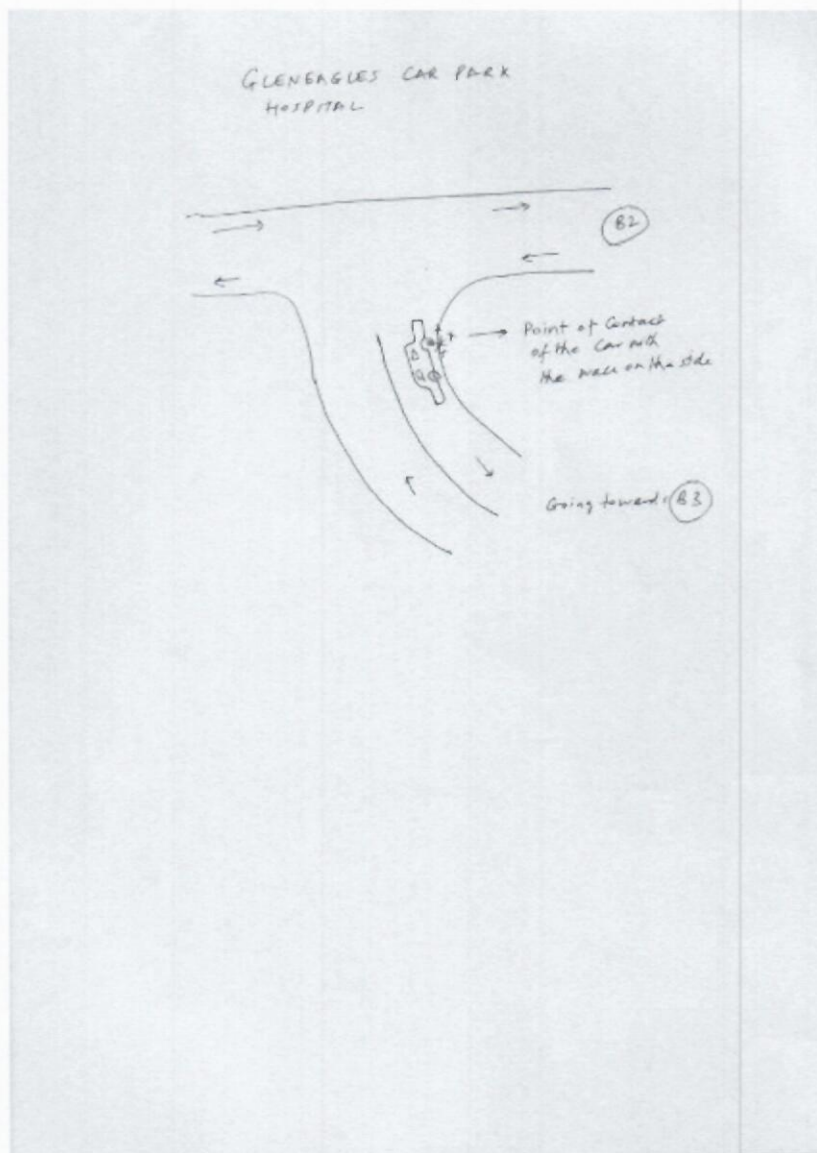

I had a doctor's appointment on April 29

2022 morning. At 9:40am

I was driving from level B2 towards level B3 of the Gleneagles Hospital car park and just at the point of entering the narrow lane between levels I scraped the side of the wall. There were hundreds of marks on that wall so nothing particular was damaged. However the left side of my car (above the left tyre area) was dented and damaged.
