Dear Elaine,

Refer to our Insured driver 's report, she collided to rear of third party vehicle.  
In order not to block traffic, she tried to filter to the left, while filtering the front door collided to left rear of third party .

Please advise the damages from the second impact was consistent with our Insured reported.

1. The height of the damages on the front right door of our insured vehicle consistent with the third party damages.
2. Is there any damages to the left rear at third party vehicle. *OS door damaged no comments*

*Base on the video footage only 1 point of impact to TP vehicle  
OS rear door not due to this accident*

Best Regards
