Brief Details.

I am Bian Yingxin with registered address at Blk 636 Yishun Street 61 #05-98 for 8 years.

I started a rental with MV AUTO On 1st December 2021 1615h. The car I rented was a Silver BMW 523i with registered license plate SMX7574J. On 13th January 2022, I was switched to a different car as the Silver BMW 523i with registered license plate SMX7574J has reached the end of its COE. The new car I was changed to is a Grey BMW 520i with registered license plate SMC5862B, hereinafter to be referred to as "Grey BMW", and unfortunately I became a inevitable victim of an accident with this car on Saturday 2157h 30th April 2022.

On the evening of 30th April 2022 at 2156h I was driving along Serangoon North Ave 5. There was a Snow white KIA SORENTO with registered license plate SMV9290A, hereinafter to be referred to as "KIA", driving in front of me. The KIA car was swirling unsteadily which I highly suspected the driver was drunk driving. All of a sudden, this reckless driving vehicle jam braked so hard that I could not even react despite keeping the recommended safe

distance and stepping on my brake as hard as I could and it caused me to miserably yet inevitably collided onto the tail of the KIA. There was no way under such circumstances I could have avoided this. It was an absolutely irresponsible behavior for this kind of reckless irrational jam braking driver to be allowed on the allegedly safe roads of Singapore. After moving our vehicles aside, the KIA driver alighted and apologized to me for his reckless behavior and tried to rationalized his irrational jam brake that caused me to be inflicted with harm from this impact. I could not physically see any obstruction and why he gave his irrational responses and he does not seem to be in the right state of mind and appears to be delusional about the road ahead. This accident caused me to be struck with ginormous repair costs on my Grey BMW which could have been averted if the KIA driver was not being such an irresponsible and reckless human on the highly boasted safe roads in Singapore.

From this accident, I am looking to make liquidated damages claim on my physical and psychological injuries that will be examined by experts from the trauma of the impact. I sincerely plead with the traffic police to probe and conduct a holistic investigation into this accident. If drivers in any uncertain state of mind are allowed to be making jam brakes anywhere they like whenever they like and later on doing third party claims, it will turn Singapore into a playground of people looking to eat from creating such accidents on safe and law abiding drivers like me. Such people have infested the roads thinking they can always jam brake in front of others and make exaggerated claims. Such unlawful and fraudulent behaviors posed tremendous dangers to other safe and law abiding road users like myself.

I made this detailed police report both for the insurance company to get a full picture of the situation and for the traffic police to be armed with the necessary details to seriously probe into such reckless behaving drivers.
