Dear Alice,

As spoken earlier on.

Our management had come to a decision to pay for the extra labor cost incurred for spray painting headlamp.

As such please proceed to send insured vehicle to his prefer workshop to get his headlamp spray painting done and paid for the cost first. Follow by add in the cost into OD invoice.

Please be reminded to include extra sentence that KFS will not be liable for any leakage clauses since spray painting of the headlamp was not done by your workshop and get insured to sign on the sentence to ack it.

Let me know if you need further clarification.

Thank you

Janice Koh
