Describe Circumstances of the Accident

When I was driving along the Pasir Ris fly over, I saw the traffic light from far (that was red) I put the brake already and it reduced mostly, but not to 0 yet and suddenly I had a sneeze, so by mistake my feet was not on the brake pedal. By the time I recognized my car already hit the previous car in front, but at a very small speed that it couldn't be called a hit. So I went down to check if there is any thing happened to the driver as well as the car, and we found out there is a small dent on the back door, and the driver is in a good condition, he was busy rushing to work so he couldn't come to the car shop. Then we exchanged phone number and I took photo of the dent & the car.

Declaration

I/We declare the foregoing particulars are true in every respect.
