Brief Details.

Stated time and date, I was on my way home. When I approaching the junction, the light were green. When I pass my stop line and I am in the junction, the light just turn green to yellow, as I am going straight, I have the right of way.

The opposite lane car forcefully turn right, cause he know there is no green right arrow in the junction. Which resulted me to skid to safety rather and collided with the front bumper than head on to the car and result into an accident.

After changing particulars with the driver, I head to NUH for medical treatment. I was given 7 days of MC and my wounds were in bandages.
