Brief details.

On 10th June 2021 at around 8pm I was travelling along Havelock Rd towards Lower Delta Rd with my vehicle SJJ1018Y. I saw a vehicle blue Toyota Sienta SMQ3354R infront of me moving very slowly and hogging the road. I thought he was day-dreaming and using handphone while driving so I tapped my horn to alert him. While entering slip road exiting to Lower Delta Rd, I saw the road was cleared. He also accelerated to exit but then he jammed brake suddenly to a complete stop for nothing just before the dotted lines. I also braked hard but still light contact with him. However the car behind me could not brake

in time and hit my vehicle. The vehicle behind me is a Mercedes with vehicle plate number SKP2525A. We then came out to take pictures of the accident. The Mercedes driver and I agreed that the Blue Sienta driver is a dangerous driver who delibrately created this accident. It was impossible to stop in time when he accelerated and stopped immediately when there were no traffic ahead. The driver of Sienta was also very aggressive, kept challenging me to a fight and moving forward towards me. We questioned him why he jammed brake when there is no traffic ahead, he could not answer this question. I told him we got camera to prove that he jammed brake for nothing then he kept quiet. However me and the Mercedes driver do not have any video recording. We agreed to file the accident to our respective insurance companies to settle this. However we hope the Traffic Police could take action against this blue Sienta driver so that such dangerous driver can be dealt with. We also need to claim the damages from him instead of him getting away and trying to claim from vehicles behind.
