Hi Rasul,

Thanks and appreciated your kind offer for these damaged repairs.

We have already billed our client for \$4800 with GST and were paid the full amount for the repair, since 25/05/2022.

We would appreciate it if you could kindly assist our client with this matter, since new parts were used in the repair.

We would sincerely hope you could increase the lump sum to \$3,000

for our client, in this hit-and-run case involving your client insured, our client is agreeable to settle the said amount without further reference to his solicitors to issue the writ of summons to your client and insured.

Look forward to your kind cooperation and hope to finalize the repairs cost at \$3,000 before GST and we are for only 2 days of repair.

Thanks and regards,
Soon
