## Describe Circumstances of the Accident

At about 10am on 23 May 22, I drove vehicle A out of the parking lot. When I turn the steering wheel, I heard a loud noise. I noticed that my left side of the car hit vehicle B on the bumper.

I reversed the car and notice that vehicle B's bumper was slightly damaged. There was no damage on my vehicle.

As I was in a hurry and did not have any pen or paper with me, I drove off and away planning to come back to the car park to find the owner.

When I came back at about 12 noon, vehicle B could not be found.
