## Describe Circumstances of the Accident

On 18/6/22 at around 1343hrs, I was driving home. I was travelling along Tampines Ave 5 towards junction of Tampines Ave 1/2. As the traffic light was red, I proceeded to stop.

A few seconds later, a vehicle rammed into the back of my car.

I exited my car and found that a grey Toyota Wish had hit my rear. I exchanged particulars and took some photos and left.

My wife and son were in the car during the accident. My wife informed me that she had hit her head on the side window (R/Side) and some neck strain.

That is all I have to say.

## Declaration

We declare the foregoing particulars are true in every respect.

If you wish to claim against your own policy, please be advised that your insurer may have a fourteen (14) days clause whereby the claim must be made within the stipulated timeframe from the day of occurrence. Kindly check with your insurer for more details.
