causes my passenger door to pop out and not able to open. I sustain a slight injury however the other driver and the passenger did not sustain any injury.

After the traffic police came, the officer took my particular and that is when I know from the in camera provider by the other car owner, the cause of the accident is when the blue colour vehicle (SMG41R) who was driving on the 1st lane lost control which causes him to drive toward my lorry and hit onto my fuel tank. A pieces of the car part was still on my fuel tank when i inspect the lorry.
