#### **Brief Details.**

On 16/06/2022 at about 1203hrs, I was driving my car (SMQ1090P) with my son, namely Goh Ping Min, seated on the front passenger seat. I was travelling from Scotts Road towards Orchard road, I was travelling on the right lane of a two left turning lanes.

I had came to a gradual stop as I approached the turn as the traffic was not clear to make the left turn. As my car was at a complete stop, I felt an impact to the back of my car. I then got off from my car to make a check and found that a motorcycle (JPG4219) had collided to the rear of my car. The rider who had fell over from the bike was in the midst of standing up.

All parties involved was not injured from the accident. The rider was apologetic and admitted blame for the accident, claiming that he had thought that I was going to move my car. I then exchanged particulars with him. No assault or threat occurred.

My car has an in-car camera installed, however am unsure if it was recording at the point of accident. Particulars of the rider as follows:

Pang Cyee Cyai G8244451W 18/03/1991

Contact: 9379 7996

I am lodging a report as the accident involved a foreign vehicle and for the purpose of insurance claim.
