**Brief Details.**

On 25/06/2022 at about 2350hrs, I was travelling along PIE towards Jurong on the 2nd right most lane, somewhere after Adam Road exit and before Eng Neo Ave exit, I felt an impact from the rear which caused my vehicle to be pushed forwards towards the left. The impact had caused my vehicle to hit onto the rear right side of a vehicle (SMV9501S) travelling on the 3rd lane from the right. The vehicle which had hit onto my rear was SMK7855S. After which, Traffic Police and Ambulance were also activated to scene and after making checks, I was told to monitor and seek medical attention if my blood pressure does not go down.

Report No. T/20220629/2047

**CONTINUATION OF REPORT**

On 26/06/2022 morning, I did not feel well and proceeded to a GP clinic nearby and was told to admit myself to hospital as my blood pressure was still high. Thus, I had proceeded to Khoo Teck Puat hospital where I was admitted and was discharged on 28/06/2022 with 8 days of MC outpatient.

I wish to state that there is in-car camera inside my vehicle and the SD card has already been taken by the Traffic Police whom attended to the scene. That is all.
