**Brief Details.**

On 25/06/2022 at about 1350hrs, I was driving my car (SND8761Y) along Macpherson Road. I cannot remember which road I am heading towards.

There were 3 lanes on the road, I was driving on the right most lane. Suddenly while I was moving, I noticed the middle lane on left there was another car (SLN4387S) signaling right and trying to cut into my lane. As I have the right of way, I continued forward at the same speed. As I was about to past the said car, suddenly I heard a loud bang and my car jerked to the right. I hit my head on the window and felt some slight pain on my head. I exited my car and noticed the said car's head had collided with the side of my car.

I quickly make a check with the driver of the said car. Both of us did not suffer from any visible injuries however I was having a very bad headache. We exchanged our particulars and left separately. His name is Lek Heng Siang, S0143581G and his contact number is 82680518. He informed that he did not see my car coming and proceeded to cut into my lane and hence the accident. My car had several scratches on the rear left region. The other car's front bumper was slightly dislodged.

I continued to feel the headache and also slight chest pain from the whip lash as I was driving back, I decided to see a doctor. The clinic I went is Greenlife Clinc & Surgery PTE LTD and the doctor gave me 3 days MC from 25/06/2022 to 27/06/2022. That is all.

## Important note

Policyholders are warned that on the sale of a motor vehicle they must surrender the Certificate of Insurance and the Policy to the insurance company. If the Certificate of Insurance has been lost or destroyed a Statutory Declaration to the effect must be made. Failure to comply with this obligation is an offence under the Motor Vehicle (Third-Party Risks and Compensation Act (Cap. 189).

The Premium Warranty Clause requires the premium to be paid in full within a specific period failing which there would be no liability under the policy, renewal certificate, endorsement etc.
