Brief Details.

Pictures exceed 2mb

It was around 11pm-ish, i was making my way back home from dinner with my friend at beach road. While on the way back on Shears ave, i noticed an orange bmw that was tailgating cars, so i filtered to another lane and overtook it, trying to distance myself away from him. At the red light before turning left into Marina blvd, i realized that the same bmw was also going the same way. When the light turned green, i went ahead and turn into the 3rd lane, which i found out was obstructed by some roadworks. So in turn i filtered right and while on that lane, i realized that the bmw was behind me, approaching quite quickly. I in turn, went to filter back to the left, thinking that the bwm would continue in that lane since it was unobstructed by any cars. After filtering left, i saw that the traffic light at the end of the road; before the right turn to MCE (AYE) was red and started to break slowly. Next thing i knew i was hit from behind by that same BMW on the 3rd lane of Marina Blvd.
