Brief Details.

On the 18/4/2022 at about 1.30pm, I was informed that my vehicle was hit by a lorry plate number JMY4034. I came down and notice that the driver was still there. I then asked him if he was the one who hit on to my lorry in which he admitted but he was having some difficulty in explaining how it happen. I then asked my warehouse manager to speak to him in which he confessed that he was reversing his lorry he did notice my car which was parked there. However, he continued to reverse and hit on to my car. The lorry collided on to the left side bonnet and side bumper.. No injuries at scene. I have taken the pictures of the said incident and took down his particulars. My company also has a copy of the CCTV which captured the incident. I am lodging this for my insurance claim. The driver is from Malaysia from Tiong Nam Logistics PTE LTD.
