Dear Huey Ni,

Initially, my client convert the driving license from home country driving license to Singapore driving license. Due to new rule from LTA on year 2020, he required to take a practical test for the renewal of Singapore driving license, as a result, the date had stated year 2020.

Thank you

Hi Suann,

Thank you for your email and the additional driving license attached (the older driving licenses)

We note that the effective date for Class 3 is 4 May 2010 in the older driving licenses but it is 27 July 2020 for the latest driving license issued in May 2020. Could you please check with the driver why is that so?

Thank you.

Thank you.
