Dear Mr Ng,

The bench mark of rental for this type of lorry is reasonably \$350/- per day.

For an amicable settlement, the total claim of \$4,000/- is reasonable.

Best Regards,

Hi, Shiau Chan,

As per conversation thru phone, appreciate your clarification on the following,

The purpose of engaging your company service is to provide assessment on the total claim amount (\$4000) by the claimant on this incident.

1. The workshop has stated that the Loss of use is for the cost incurred of renting a similar type of vehicle during the 4 days of repair to the vehicle YQ997M. However, in your amended report, it is stated as labour cost of carrying out the repair work, is it equivalent ??
2. Daily Rental Cost of a vehicle such as lorry may fetch \$350/ day, how about the daily rental cost of this type of 25 footer, with refrigerator Box and refrigeration equipment lorry ?
3. Is \$4000 a reasonable total amount for this claim ?

Appreciate your prompt reply, on the above, Thanks very much.

Regds
