Dear Sirs,

We refer to your email below.

We deny liability.

Our insured's version below for your perusal. Please advise if your client is withdrawing claim against our insured.

On the 29 June 22, around 3:15pm, I, Edwin Ng, was driving along the single road lane of Serangoon Avenue 1. I flashed the right signal light and looked for oncoming and rear traffic before making the turn into Serangoon Lane. As I turn, a motorcycle collided onto the rear right car tire. Reviewing the rear car video camera, the video shows the motorcycle traveling at a high speed, trying to overtake my car on the right side.

Thank you.
