**Brief Details.**

On 23/02/2021 at about 1500hrs, I was riding my PAB(Powered Assisted Bike) along Sembawang Road going towards Sembawang Shopping Centre. When I approached towards the zebra crossing, I noticed that there were two vehicles came to a stop, one before the give way line and the other was before zebra crossing line. Subsequently, I proceeded to make my way across the zebra crossing and suddenly the vehicle that stopped at the zebra crossing line move and collided on to me. I could not react on time as I was already in the middle of the zebra crossing. I was already lying on the ground however the car continued to move. I shouted and eventually it came to a stop. Passersby rendered their assistance to me and carried me to the grass patch. They called for police and ambulance. Subsequently, traffic police was at scene and impounded my PAB and ambulance conveyed me to Khoo Teck Phuat Hospital as my injuries was severe. I received treatment from the hospital and undergo a Hip Replacement Surgery. I was warded from 23/02/2021 till 13/03/2021 at Khoo Teck Phuat Hospital and 30 days of MC(23/02/2021 till 01/04/2021) This is the first time such incident happened to me.

I would like to add that I am still unhappy to the driver as if he had paid attention and seen me to his windscreen I could cross safely in a few seconds.
