Validity of this estimate is 14 days from date of quote. This is a computer generated document, no signature is required.

Estimated costs quoted are excluding GST. We would mention that the above estimate is based on our initial inspection and does not include any additional parts or labour which may be required after repair work has commenced. Occasionally worn or damaged parts are discovered after work has started and needed for repairs or replacement. However, should this occur, we would advise you. Please be informed that a deposit of 50% of the above estimate is payable before commencement of the work. Payment for this may be made in cash, credit card or cheque. You must also agree to pay full amount for renewal of the windscreen in the event of inadvertent breakage in the course of renewing the rubber seal or other repair requiring the removal of the windscreen.
