Describe Circumstances of the Accident

It happened on 17th July about 1135pm. I was going to toilet and suddenly I heard a loud bang ^(I am staying at level 3) and I peep out of the window and saw this lorry (company name is ATLAS) doing a reverse on the no parking lot and hit onto my left front side of my car. I immediately shouted "Hello Accident" but he didn't ^{stop} and instead drove off. I went down to access the damage and diagonally across, there is a guy name Lincoln.

I went over and talk to him, his statement to me was he just came back and was sitting inside. He heard a loud bang and noticed on his right, a lorry was in the reverse position and he drove past him after doing a 3 point turn. It occurred to him it was the same lorry that overtook him when he was parking. He too recognised the "Atlas" logo but didn't see the number plate. Before I managed to head down, he walked towards my car and noticed my left side headlight ^{+ bumper} was damaged. ^{He} ~~shouting~~ Decided to walk back to retrieve his car cam but unfortunately not able to see the car. The next day, my mum spoke to my level 2 neighbour, and he knows one of the neighbour at level 12. Whom know as Mr Yang. I called him at noon and he admit is his son/somebody who drove the lorry and hit my car when doing the reversing.

Declaration

We declare the foregoing particulars are true in every respect.
