Subject: Hit and Run

Date: 2nd June 2022

Time: 10.25pm

Report Number: L/20220602/0155

To the person in charge.

Dear Sir/Mdm,

My wife and I was involved in a hit and run incident at Blk 775 Woodlands Crescent on 2nd June 2022 at around 10.25pm. I came to my mum's house at around 10pm with my wife to collect something as I was going on a cycling trip the next day. I saw this lorry (XD2890D) parked with its engine left turned on. I saw a guy with this lady just beside the rubbish chute. The guy was talking quite loudly in foreign Chinese, and it caught my attention. I assumed that he was the driver of the lorry. The way they were communicating was quite intense and seems like a heated argument. I then parked my car beside it where I saw some space and went up to my mum's house. After which I came down, went into my car, and drove up to the carpark to get my other stuffs in my sister's car. After I collected my stuffs, I drove back down to return my sister's car key in the letter box. So, I parked at the same spot beside the lorry on the right but head in. I came out of the car and walked to the letter box to drop off the keys.

While I was walking back to the car at the lift lobby, I saw the lady (that was talking to him) entering the lift. As I was walking back to my car, I saw the lorry was about to moved off and while he was driving off, I noticed that the tailboard was about to hit the right side of my car. Note that my wife was in the front passenger seat. Knowing that, thinking about my wife safety, I shouted at the driver (while running) to stop him as I know that he was about to hit the car and my wife was in the car. Also, I managed to climb up and grab hold of his door handle. My intention was to open his door and tell him to stop as I'm afraid he didn't hear me as his lorry was quite loud. Sadly, he then banged my car. I knew he knew that he heard it the scraping of the car, but he decided to drove off very fast while I was still holding on. I managed to grab hold of the side tailboard and door handle and bang on his door to tell him to stop the vehicle as I wanted to get down. He began to speed up really fast out of the HDB compound to the main road.

I was holding tightly to the tailboard and couldn't let go as I know I will injure myself if I break the fall and was worried that he might run me over. Knowing that to save myself from getting run over, I pulled myself up and I sat on the tailboard. He then drove towards Woodlands Crescent Road recklessly, and I shouted at the car behind to ask for help as my phone dropped as I was chasing to him. The car behind saw I was waving at him and as he was about to overtake the lorry, I shouted to him to call the police. He then drove in front of the lorry, stop his car, and stepped out. As I was about to go down, the lorry driver then reverses and speed off. Do note that the lorry is quite high, and it take will take some time to get off it. I notice that he was driving ill mannerly, seems like he was drunk.

The lorry driver proceeds to drive and beat the traffic light at the T-Junction of Woodlands Crescent Road. Entering right towards Woodlands Drive 72 and entering Gambas Ave, the guy who stopped the car in front of the lorry previously, came in front again and stop in front of the lorry. There was also another guy driving a van stop beside the lorry. The lorry came to a stop, and as I wanted to get down, he decided to reverse again and drove off turning right to Woodlands Ave 9, beating every traffic light he drove past. The lorry driver drove all the way down to Woodlands Ave 5 and jammed his brake when he saw the red-light camera. I was thinking of climbing down but as the same time I was very afraid to get down as I am scared that I get run over by him as he was not really thinking straight. As soon as the lights turned green, he accelerates really fast till he misses some gears. I heard a loud rattling sound. He then continued driving and turn right towards Woodlands Ave 2. Keep in mind that he is still beating every traffic light all the way till he filters left and entered the highway of BKE.

He was driving in a very ill manner as the lorry was swaying left to right and other road users were honking at him. I suspected that he was drunk as my dad and neighbours told me he had been there since 4-5pm talking to the lady and I saw empty cans of beers just beside the lorry when he drove off from the accident area. I assumed that that was his. He then proceeds to enter KJE and exited towards Woodlands Road. He proceeds to turn left and continued driving irrationally. This time, he was driving slowly that he almost bangs into a road curb while turning left. All this time throughout the journey, I was shouting at him to stop the lorry as I wanted to get down but due to language barrier (he was a Chinese National) he could not understand me.

Along Woodlands Road entering Upper Bukit Timah Road near Hillview Camp, he finally decided to come to his senses as I keep signalling to him that I wanted to get off the lorry. He stopped at the traffic light, and I got down safely. Immediately as I get down, he speeds off and beat the traffic light again. I hailed a taxi just beside it and enter the taxi. I told the taxi driver what had happened and told him to follow the lorry as I want to take down his license plate number. He entered Cashew Road while I was tailing him from the back and turn left entering Petir Road. At the 4 junctions of Petir Road and Gangsa Road, the lorry driver was supposed to turn right but I guessed he saw me just behind him at the back and decided to go straight instead. After, I told the taxi driver to send me back to my house.

I then borrowed the taxi driver's mobile phone and called my dad and spoke to the police officer and told her what had happened. This is my statement of what had happened. I understand that the TP police told me this was a rash act done by me. All I was thinking was the life of my wife to ask the lorry driver to stop in time as he was about to hit the car while she was inside the car and my own safety (climbed up the lorry's tailboard). I was then told that my wife actually came out the car to avoid the crash and she ran away from the lorry just in a nick of time to prevent from getting injured and squashed by the lorry.

CONTINUATION OF REPORT

Brief Details.

On 02/06/2022 at about 2120hrs, I parked my lorry at the rubbish chute area of Blk 775 Woodlands Crescent to buy food.

At about 2130hrs, I went back to my lorry and wanted to drive off. As I was driving, I saw some people scolding me. I did not pay attention to what happened.

On 03/06/2022 at about 1030hrs, my supervisor called me to go to Traffic Police HQ as I have scratched someone else's car. I went there and the investigation office took photos of my vehicle. I was then advised to lodge a police report.
