CIRCUMSTANCES OF ACCIDENT

R2000008961 Circumstances Of Accident On 12/7

at 11.40AM

I was driving vehicle SMT4166U along ECP and exited towards Bedok South Ave 1. Upon reaching the filter lane to merge into Bedok South Ave 1

I slowed down as there was a motorcycle in front of me and to check for oncoming traffic. As I'm under the weather today with a runny nose

I was wiping my nose and as i was doing so

the motorcycle came to a stop at the merging lane

I applied the brakes but could not come to a stop in time and hit the rear of the motorcycle. The rider fell off the motorcycle. I got out of the car to check if he was okay

and asked if he needed me to call an ambulance. He declined despite multiple offers

he said he was okay and needed to call his boss. Shortly after

his boss and another man came down

they moved the motorcycle to the side of the road. I reversed my vehicle to the chevron markings which merge the road. Thereafter

i proceeded to join them at the side of the road

once again

I asked if the rider needed to go to the hospital

I could call an ambulance. The rider's boss said that no need and that he will take him to the clinic for a check up and subsequently lodge a police report. I have a car camera installed and the whole incident was recorded.
